# COMMUNITY OF UNITY

*for SA Treble Choir w/ piano accompaniment*

A Community of Unity

Listen to our voices together  
Feel the magic pulse in each heart  
See the golden hope of tomorrow  
Side by side we make a new start

A community of unity  
America, my home  
Shine on, shine on  
A community of unity  
America, my home  
Shine on, shine on

Come drink from the fountain of freedom  
Everyone can share in this dream  
Taste a world of goodness and laughter  
Eyes that search for truth brightly gleam

A community of unity  
America, my home  
Shine on, shine on  
A community of unity  
America, my home  
Shine on, shine on

Justice and equality  
Living with great dignity  
Meeting each challenge that stands in our way

A community of unity  
America, my home  
Shine on, shine on  
A community of unity  
America, my home  
Shine on, shine on

A community of unity

*Composer's note: may be performed with optional
