**GOLDEN APPLES
OF THE SUN**

for SATB a cappella choir

Golden Apples Of The Sun

Let your dreams leap up and sail beyond the fences

Let a beam of hope intoxicate your senses

Reach up, reach out, reach up

And touch the stars

Reach up, reach out, reach up

Keep chasing

Golden apples of the sun

Silver apples of the moon

Golden apples of the sun

Reach up, reach out, reach up

Walls will tumble down if you're prepared to break through

Love will light your way and magic will surround you

Reach up, reach out, reach up

And touch the stars

Reach up, reach out, reach up

Keep chasing

Golden apples of the sun

Silver apples of the moon

Golden apples of the sun

Reach up, reach out, reach up

Look and you will find your peace of mind

Dance to the drumbeat you hear in your heart

Listen, listen

Choose the path that only you can find

Open wide to your secret soul

Live the life that makes you feel whole

Golden apples of the sun

Silver apples of the moon

Reach up, reach out, reach up

Golden apples of the sun

Composer's Note:

The ensemble is encouraged to incorporate movement in performance.

The text is inspired by W.B. Yeats

"The Song of Wandering Aengus"

(public domain, 1899)

"...And pluck till time and times are done

The silver apples of the moon,

The golden apples of the sun."

Winner of the Celebration Singers 2019 Choral Commission Competition.

Special thanks to the Celebration Singers and director Joe Elefante.
