

RICH CAMPBELL

**WE WILL SHINE
LIKE THE SUN**

*for combined SA treble choir and SATB choir with piano accompaniment
(w/ optional tambourine)*

We Will Shine Like The Sun

Everyone of us is a diamond
Everyone of us is an ocean
 Full of life, full of hope
Everyone of us is a rainbow
Everyone one of us is a hero
 Open eyes, open arms

We are made of golden stardust
We are made of silver moonbeams
And together we will shine like the sun
 We are full of magic wonder
We have hearts that beat like thunder
And forever we will shine like the sun

Everyone of us is a forest
Everyone of us is an oak tree
Reaching out, growing strong
 Everyone of us is a tiger
Everyone one of us is a river
Flowing fast, hear our song

We are made of golden stardust
We are made of silver moonbeams
And together we will shine like the sun
 We are full of magic wonder
We have hearts that beat like thunder
And forever we will shine like the sun

We are the mountains
When storm winds blow
 Standing with courage
We will conquer every darkness
Boldly we will meet tomorrow

We are made of golden stardust
We are made of silver moonbeams
And together we will shine like the sun
 We are full of magic wonder
We have hearts that beat like thunder
And forever we will shine like the sun

***Composer's Notes:** Ensembles are encouraged to perform this piece from memory, adding simple movement/choreography. The "foot stomp" on the last beat should coincide with each singer freezing in a powerful, affirming pose. The clapping that begins at measure 80 may also be attempted by the sopranos & tenors if they can perform it correctly it while singing their more complex rhythm.*

The optional tambourine part begins at measure 80. Accented notes should be played with the tambourine striking the opposite hand. All other eighth notes are played as a back & forth shake.

This arrangement may be used to perform with only treble choir; simply omit SATB. To use this arrangement to perform SATB without treble choir, soprano/altos sing treble choir measures 5-9 & 80-83.

Winner of the Hong Kong Children's Choir 50th Anniversary Composition Competition.
