LYRICS BY BOBBI KATZ

FOR TWO-PART CHILDREN'S  
CHORUS (TREBLE VOICES) AND PIANO

# The Sun and the Moon

Performance suggestion: It's more fun if the chorus is divided into two equal groups. One group can be the Sun, the other group is the Moon.

"I am the Sun  
I make the day  
Earth turns toward me  
night fades away."

"I am the Moon  
and since my birth  
my orbit takes me  
around the Earth."

"I'm quite different than you are  
I'm heat and light  
I am a star!"

"I am cold and dark  
I'm only bright  
when I reflect your distant light."

"I am the Sun (You are the Sun)  
I light the day (You light the day)  
Earth turns toward me  
Night fades a-way."

"I am the Moon (You are the moon)  
I charm the night (You charm the night)  
I am the Moon  
Earth's satellite."
