Composer's Note

The "Four Spanish Carols" was written for the Kansas City Brass, a quintet with percussionist comprised primarily of members of the Kansas City Symphony. This group has presented an annual Christmas Concert at the Country Club Christian Church in Kansas City for many years. I offered this set as a group of pieces for that concert in 2003. The group has performed them several times, including in a similar concert setting at the Village Presbyterian Church in Prairie Village, Kansas. One percussionist is required who plays, Triangle, Bass Drum, Bells, Maracas and Field Drum.
