NON NOBIS DOMINE
(“NOT UNTO US, O LORD”)

*An a cappella 2-part setting for
Women's or Children's Choir*

S(S)A

Originally written for a Portuguese children's choir, this simple a cappella setting could equally be performed by an adult women's choir. It is mostly in two parts (SA), but there is an optional 3rd part towards the end of the piece. The first few measures may be sung as a solo.

Translation: "Not unto us, Lord, but to your name give glory."

Gordon Thornett has written a number of choral settings for Christmas and other Christian festivals. His Festive Overture, 'The Joy of Christmas' is published by Faber Music, and some of his choral pieces are published by Oxford University Press, Norsk Musikforlag and Shawnee Press.
