Wave Over Wave

SATB Choir & Piano

*This heartfelt folksong was written by Newfoundlander **Jim Payne** (b. 1955) in 1994, and appeared as the title song for the Album "Wave Over Wave: Old and New Songs of Atlantic Canada," with Fergus O'Byrne (1996). The song was also very successfully recorded by the Newfoundland folk rock band Great Big Sea, which released it on their second album, "Up," in 1995. Payne is a champion of Newfoundland traditional music and founder of the recording label SingSong, Inc., which has released 27 titles. Sincere thanks to Jim for permission to publish this choral arrangement.*

Patrick M. O'Shea (b. 1967, Worcester, Massachusetts) serves as Professor of Music and Director of Choirs at Saint Mary's University of Minnesota. He holds the degrees from Arizona State University, the University of Illinois at Urbana-Champaign, and Shenandoah Conservatory of Music. His composition teachers included Russell Woollen, Thomas Fredrickson and Randall Shinn. He writes predominantly choral and vocal music, but has also produced works for various chamber ensembles and piano, and is proud to claim a Newfoundlander grandmother born in Harbour Grace.

"His craftsmanship and creativity consistently produce effective and appealing works..."

- Dale Warland
