## MARY HAD A BABY

FOR SATB CHOIR AND SOPRANO SOLO

Michal Dawson Connor

## MARY HAD A BABY

for SATB choir and soprano solo

An indomitable sense of hope, and unvarnished sorrow, permeate each line and melody of these unforgettable songs- forged in the anvil of abject misery and despair, aching for freedom's light.

Humiliated beyond all human reckoning, and given no respite from the daily drudgery of endless toil- these fiercely resilient souls somehow persevered, despite the harshest obstacles- leaving behind a true golden legacy of words and music to cherish.

In his famous autobiography, Frederick Douglass wrote:

*"Slaves sing most when they are most unhappy. The songs of the slave represent the sorrows of his heart; and he is relieved by them, only as an aching heart is relieved by its tears."*

I am deeply honored to present these musical footprints of my proud ancestors- and hope that by singing them, we pause to remember the undaunted courage and grit of the men and women who originally composed them.
